

LINECARD

UNIKE ELEKTRONISKE KOMPONENTER, MODULER OG KUNDESPESIFIKKE PRODUKTER

Passive, discrete and timing components	
	Crystals and oscillators, SAW filters
	Inductors, ferrites, transformers, EMI filters
	Capacitors, resistors, filters, connectors, inductors, timing components, etc.
	Line transformers, Modular connectors, MagJacks™, fuses, delay lines
	Potmeters, networks, inductors, transformers
	Inductors, potmeters, dials, counters, switches, fuses, network, etc.
	Super capacitors
	Crystals, real-time clocks, oscillators, SAW filters
	Capacitors
	Crystals and oscillators, SAW-Filters and resonators
	Crystals, oscillators, filters
	Capacitors, thermistors, RF filters, coils, EMI suppression, resonators, sensors, sound components
	Ferrites, inductors, transformers, Helical Filters
	Capacitors
	Capacitors
	Capacitors
	Quartz Crystals and filters (<i>Seiko Instruments</i>)
	Crystals, Oscillators, Filters, Helical Filters and Inductors
	Ferrites, EMI filters
	Inductors, coils
	Capacitors, Inductors, EMC components, RF components, sensors
	Inductors and filters
	Dielectric resonators and filters
	Resistors, Precision resistors, Trimmers, Potentiometers, Thermistors, Inductive products, SMD Capacitors
	Resistors
	Capacitors
	LEDs

Power supplies	
	DC/DC converters
	AC/DC, DC/DC converters, rack mounted, etc.
	DC/DC converters and filters, mil.spec/hi-rel
	AC/DC and DC/DC converters
	UPS Systems, Maritime approved UPS
	DC/DC converters
	AC/DC, DC/DC converters

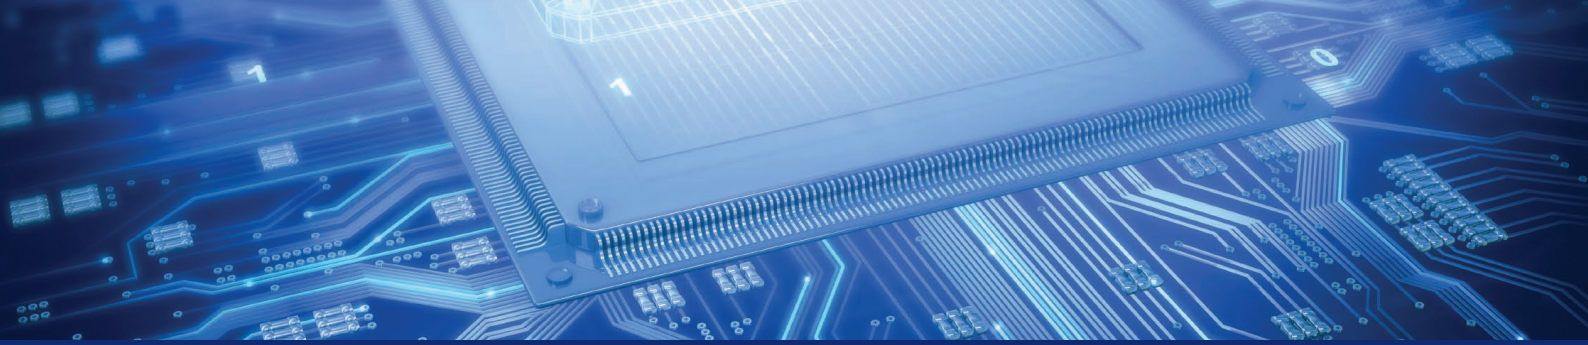

Semiconductors and modules	
	SoC solutions, System on Modules
	Audio and video components, touch screen controllers
	Fast and low power asynchronous SRAM
	High speed and low power SRAM, Flash, SDRAM, etc.
	HART modem, motor controllers, CAN interface, dedicated DSPs, ASIC conversion
	ARM controller based modules and terminals, Serial-to-Ethernet converters
	Microcontrollers, memory, programmable logic, security solutions
	10/100/1000Mbit Ethernet solutions, USB device controllers
	Embedded Ethernet/WLAN modules, ARM processor modules, NET+ARM micro
	Milespec. microprocessors and peripherals, RF transceivers, CMOS imagers
	Network controllers, LCD controllers and drivers, microcontrollers, GPS
	GPS modules
	USB circuits (USB UART, USB FIFU)
	Large dual port memory, digital filters
	RF modules and modems
	RF/Microwave transistors, opto and laser modules
	Universal Socket modems, External modems and gateways
	RF transceivers, complete reference designs
	Spread spectrum based EMI reducing components, clock generators
	Microcontrollers, controller modules, Internet connectivity
	RF transceiver modules, ZigBee ready modules
	FRAM memory and processor companion solutions
	Microcontrollers, memory, etc.
	ARM controller based modules
	Voltage regulators, detectors, Mini logic, mini analogue, Battery protect ic <i>(Seiko Instruments)</i>
	LCD/CRT display controllers, USB flash controllers
	Smart card interface, LAN/WAN, power meter SoCs, etc.
	Analog high end audio components
	SDH/SONET, PDH, networking solutions

Printers, Man Machine Interface	
	Photo Printers, Thermal Printers
	Keyboard and notepads
	Thermal printers and mechanism <i>(Seiko Instruments)</i>
	Controllerboards for thermal printers

Industrial PC systems	
	Solid State Disks, High reliability
	Intelligent displays, embedded PC, GUI solutions
	Single Board Computers, Panel PCs, Industrial Automation
	Single Board Computers, Embedded Box computers
	Industrial PC and digital signage
	Marine approved Panel PC and displays, Industrial PC
	Industrial network solutions
	Memory modules, RAM, solid state disks, etc.

Displays	
	High quality LCD displays, character and graphics
	LCD displays, custom displays
	VFD character and graphics displays
	Graphic STN and TFT LCD display
	High brightness panels and monitors
	LCD displays, character and graphics
	Character and graphic displays, OLED, small TFT
	Marine approved LCD and EL monitors

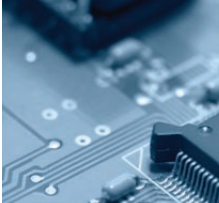

Wireless / M2M, Positioning	
	Antennas
	GPS modules, chip antennas
	RF transceivers, RFID, WLAN
	Various internal and external antennas
	GPS sensorer
	GPS modules and sensors
	RF modules and modems
	Universal Socket modem, External modem and gateways
	Bluetooth modules
	RF transceivers, complete reference designs
	Compass modules
	Internet connectivity, M2M applications kit
	RF transceiver modules, ZigBee ready modules
	Antennas
	GSM/GPRS/EDGE modules and terminals, 3G and UMTS/HSDPA/HSUPA <i>(Tidl. Siemens Wireless Modules)</i>
	ISM band radio modems
	Antennas, RF connectors

Electromechanical, connectors, etc	
	Switches, relays, encoders, sensors, etc.
	Connectors
	Connectors, relays, potmeters
	Connectors
	Relays and sockets
	Relays and connectors
	Relays and switches
	Relays, fans, sensors, microphones, buzzers, sounders, loudspeakers, etc.
	Identification and labeling products, cable ties
	Sockets and print connectors
	Connectors, relays, terminal blocks, switches, cable, cable harness, heat shrink tubing, identification labeling, antennas, EMI filters
	Terminal blocks and cable connectors
	Microwave Coaxial Connectors

Batteries	
	Lithium batteries
	Coin batteries and capacitors
	Lithium batteries
